

Agreement For Loan-Dispensing Equipment

Dear Establishment Owner,

Please find attached an Agreement For Loan of Dispensing Equipment which requires your attention and signature.

It is a requirement that P&G Professional have a signed Agreement For Loan for all sites using P&G Professional equipment. Your distributor will have made you aware when you agreed to purchase our Flash Professional System range of auto-dosed cleaning products that our equipment was on a free of charge loan. It is a requirement of this loan that ONLY **Flash Professional Cleaning System** auto-dosed products are used on our equipment.

This can be a combination of **C1 pH Neutral Floor + Delicate Surface Cleaner, C2 Disinfecting Multi-Surface + Glass Cleaner, C3 Disinfecting Bathroom Cleaner, C4 Fabric + Air Refresher.**

Please note that Procter & Gamble reserve the right to remove the dosing equipment from your establishment if any non Flash Professional Cleaning System auto-dose products are found to be used on P&G Professional dosing pumps.

Please read and sign both copies of the agreement, retain one for your records and return the second copy to the installation engineer.

Yours sincerely,

P&G Professional
