

Agreement For Loan Dispensing Equipment

Dear Establishment Owner,

Please find attached an Agreement For Loan Dispensing Equipment which requires your attention and signature.

It is a requirement that P&G Professional have a signed Agreement For Loan for all sites using P&G Professional equipment. Your distributor will have made you aware when you agreed to purchase our Ariel Professional System range of auto-dosed laundry products that our equipment was on a free of charge loan. It is a requirement of this loan that ONLY **Ariel Professional System** auto-dosed products are used on our equipment.

This can be a combination of **Ariel S1 Actilift Detergent, Lenor S2 Extra Soft & Fresh, Ariel S3 Colour Safe Stainbuster, Ariel S4 White Max, Ariel S5 White Wash Stainbuster, Ariel S6 Emulsifier, Ariel S7 SC Alca Extra and/or Ariel S8 SC HydrOxi Stainbuster.**

Please note that Procter & Gamble reserve the right to remove the dosing equipment from your establishment if any non Ariel Professional System auto-dose products are found to be used on P&G Professional dosing pumps.

Please read and sign both copies of the agreement, retain one for your records and return the second copy to the installation engineer.

Yours sincerely,

P&G Professional
