- **A system tailored to your needs and installed by experts**
- **Deep cleaning technology** that lifts out stains even from the deepest layers of the fabric
- Automatic product dosing that provides staff **safety and cost control** - no overdosing
- Numbered and colour-coded products and tube connections - **intuitive training and use**
- **Free of charge training materials**, including intuitive wall charts and safety sheet
- **Professional service dedicated to your satisfaction**, and to supporting you in the operation of your laundry system - including service visits by qualified engineers and access via Freephone hotline to our service agents at the P&G Professional Helpline.

We are confident you will be delighted with the **Ariel Professional System's** cleaning results and the dedicated service and support you will receive.

Included in this **Welcome Pack** are materials that will help you and your team **get the maximum value from the Ariel Professional System.**

1. Equipment on Loan Agreement

2. Training Materials

- Instruction Manual
- Program Table Wall Chart
- Health and Safety Wall Chart
- Best Wash Results Wall Chart
- Wall Charts for separating laundry room by Clean Laundry / Dirty Laundry
- Staff Training Certificates

3. Ariel Professional Stickers

- Ariel/Lenor Window Stickers
- Ariel/Lenor Washing Machine Sticker
- Helpline Stickers

4. Product Information

- Product Information Sheets (PIS)
- Material Safety Data Sheets (MSDS)
