

# Welcome to the P&G Professional Cleaning System for Kitchen and More

**P&G**  
Professional™

We are delighted that you have selected to work with a **safe, simple and effective Cleaning Solution by P&G Professional**. This system is brought to you with the power of Flash Professional and Fairy Professional.

The **P&G Professional Cleaning System** will bring **Tough Degreasing Power** to your establishment, to help boost productivity.

- ✓ Create impeccable results guest notice
- ✓ Free up staff time to do more
- ✓ Great return on your cleaning investment

**Included in this Hygiene Welcome Pack** are materials that will make it easy for you to get started with your new cleaning system, in compliance with hygiene regulations.

## 1. Training Materials

- Product Usage Wallcharts
- Cleaning Procedure Wallcharts
- Staff Training Certificates

## 2. Product Information

- Product Information Sheets (PIS)
- Material Safety Data Sheets (MSDS)

## 3. Support materials

- HACCP Cleaning Schedule
- Cleaning Schedule Checklist

## Tips

We recommend that you place the wall charts near the cleaning products so they are visible to your staff.

Should you require additional copies of MSDS or any other materials in this pack call the P&G Professional Helpline or download MSDS instantly at [www.pgpro.co.uk/msds](http://www.pgpro.co.uk/msds).
