Safety Instructions

Please make sure your employees read and understood the product label and your COSHH assessment (Chemical Risk Assessment in EU) before using this product. The label contains directions for use and both label and SDS contain hazard warnings, precautionary statements, first aid procedures and storage information. SDS are available on-line at our website www.pgpro-msds.com or can be provided to you via the call center.

Usage & Dosing Instructions

Dilute use:

- Bucket use: Dose 60ml (2 caps or 2 dosing pumps) in 5L water. No need to rinse.
- Dual Tank auto-scrubber: Use up to 60 ml in 5L water (2 caps or 2 dosing pumps). No need to rinse.
- Membrane single tank machines: Reduce to 0.3% (1/2 cap in 5L water). No need to rinse.

Neat use:

- For heavy soils apply undiluted product, leave to act for 1-2 minutes and rinse.

Where to Use

- Effective for cleaning floors, kitchen work surfaces, washroom surfaces and other interior surfaces.
- Safe to use on most washable surfaces.

Where Not to Use

- Avoid prolonged contact with stainless steel, aluminum, painted or varnished surfaces.
- Do not use on porous surfaces.
- If in doubt, first test product on a small inconspicuous area.
